

How to Reach Rajkot

Rajkot is connected by Road, Rail and Airways with the rest of the state of Gujarat as well as the Country.

About Saurashtra University and the Department of Commerce

Saurashtra University, established on 23rd May, 1967, is situated in Rajkot city of the Saurashtra region of Gujarat State. The campus of the University is spread over 360 acres of land. There are 29 academic Departments in the University offering Programmes in various Disciplines to the Students of Saurashtra Region. The Department of Commerce was established in the year 1979 and it was inaugurated by Shri Umakant Pandit, the well known industrialist of Saurashtra in August, 1979. Dr. N. M. Khandelwal was the first Head of the Department, followed by Dr. H. N. Agrawal. They provided an environment in which the department thrived and sprawled. The department is proud of its contribution in the field of research and development and has produced more than Hundred Doctors and M.Phils. and it continues doing so by organising various National level and State level Seminars, Conferences and Workshops under the dynamic leadership of Head of the Department Dr. D.P Chauhan. The Department offers various courses viz. M. Com., M. Phil., and Ph. D. The Department offers Master Degree in Commerce in three areas of specializations which includes (1) Accounting and Taxation (2) Finance (3) Marketing.

About Workshop

This workshop is organised by Department of Commerce, Saurashtra University, Rajkot. to facilitate the participants to equip themselves with research methodology and data analysis with the aid of statistical software of Statistical Package for the Social Sciences (SPSS). The focus of the workshop shall be on enhancement of research effectiveness and efficiency of Faculty Members & Research scholars and thereby furtherance of the quality of research output. The workshop will provide an interactive platform to the researchers to enhance understanding of advance statistical techniques as well as providing hands-on experience in analyzing data using latest versions of SPSS for statistical analysis.

The major topics to be covered include:

- Basics of Research Methodology
- Scales of Measurements and Questionnaire design
- Introduction to SPSS and Data Entry, Coding, Tabulation, Editing and Hypotheses testing
- Use of Statistical techniques (i.e. Parametric Tests, Non parametric tests, Correlation & Regression, Factor & Cluster Analysis, Discriminant Analysis, etc.) with SPSS

In this workshop, theory and practice both will be discussed simultaneously. All the techniques will be discussed through practical aspects. More emphasis will given on how to interpret output / results obtained by the software.

The Resource person of the Workshop

Dr.Gaurang Rami

Professor, Department of Economics
Veer Narmad South Gujarat University,
Surat.
